

## Education Award

Thank you for your interest in the Pima Federal Education Award. We are truly honored you thought of us! Part of our commitment to education is the establishment of our Education Award. We are proud to present each of four graduating seniors with a \$2,000 scholarship. These graduating seniors must be from Pima or Apache counties to qualify.

What do you need to do to apply? You must...

- be a graduating senior in May or June of 2016.
- be a current (at time of application) Pima Federal Credit Union member with an established account.
- have been accepted to attend a 2 or 4-year college or university in the fall of 2016.
- submit a completed application to Pima Federal Credit Union and have it postmarked by July 8, 2016.

Sounds easy, right?

- Graduate
- Be a Pima Federal Member
- Fill out this application
- Get \$2,000

When you submit your application, make sure you include...

- the application form.
- two letters of recommendation from community leaders or current educators.
- a one page autobiographical statement. This is your chance to talk about yourself! Include your honors, awards, activities, athletics, education, and community experiences. Tell us what you want to achieve too, including your long term goals for education and career. (Please keep this to one page. We get a lot of entries.)
- a one page essay on this topic: Why is it important for your generation to understand money?

Phew. That's it. You are one step closer to \$2,000. Good Luck!
