## Pima Federal Credit Union Provides \$10,000 in Education Awards.

**Tucson, Arizona – June 15, 2022** – Pima Federal Credit Union (Pima Federal) is pleased to announce \$10,000 has been awarded to five high school graduates who will be pursuing higher education this fall through the credit union’s Education Award Program. Each of the five students received \$2,000 to help offset the cost of college expenses.

Pima Federal Vice President of Marketing, Jennifer Overpeck stated, “Reviewing submissions for our annual Education Award is always incredibly inspiring, but even more so this year due to the obstacles students faced during the pandemic. These students not only shined academically despite these challenges, but still managed to give back to their schools and communities in meaningful ways. A huge congratulations to this year’s winners and to all graduating seniors! The future is brighter with you all in it!”

As a credit union founded by teachers, Pima Federal has remained dedicated to supporting education in our community and the Education Award is one of the many ways this is displayed. The credit union understands the value of a quality education and realizes the financial burden it can present for a student and their family. Pima Federal strongly believes the investment in our youth will enhance the standard of living in our communities, helping to build a better tomorrow for all.
